Spring is just around the corner and I know you are all so excited. Warmer temperatures and flowers blooming are just a couple of the things we look forward to. But since spring is coming, we must get on the proper time schedule so don't forget to set your clocks ahead on March 10th. This was just your friendly reminder from your pastor, you don't want to be late for church. I would ask you to continue to pray for our church, we are looking to add a couple more classes for Bible study. We want everyone to have a setting in which they feel comfortable studying God's word with other believers. Church attendance, Bible study, and prayer time are all vital to our growth as Children of God. The big word we often use is sanctification. It is the process where we grow closer to Christ and more like Him throughout our lives after our decision to follow Him. Far too often, Christians live with an eye on the past while completely ignoring the present or having any serious concern for the future. Unfortunately, Christianity has been demoted to a "past" decision instead of a present and ongoing reality. We are called to daily follow Jesus, not just one time a while ago. There should be more to our story, he is not done with us yet. Even though growing more like Jesus should be our goal, it is no cake walk. I heard one guy say, "sanctification is not for sissies." Spiritual warfare is real and when we make Christ our focus, there is both internal conflict (Rom. 7:14-25) and external conflict. Due to this, far too many Christians give up on the disciplines that help us walk the Christian life. However, if Christ is our Master—it is our duty to pursue him faithfully to the very end. Please pray for each other as we all grow in our walk with Jesus. I want to share with you this verse from Philippians 1:6 I am sure of this, that He who started a good work in you will carry it on to completion until the day of Christ Jesus. (HCSB) Have a blessed week and remember to point someone to Jesus.
